"You are old," said the youth, "and your programs don't run,  
And there isn't one language you like;  
Yet of useful suggestions for help you have none --  
Have you thought about taking a hike?"

"Since I never write programs," his father replied,  
"Every language looks equally bad;  
Yet the people keep paying to read all my books  
And don't realize that they've been had."
