Hi Tina,

It is my understanding that the Gainesville Sun advertisements have been
modified to address risk management's concerns and that the URL on the

correct me if I'm wrong. I've reviewed the actual advertising agreement
with the Sun and find no objectionable terms.
However, please indicate in the "Advertiser" section that the Advertiser is

with modification of the URL to include some reference to UF, this office
can recommend these agreements for Wayne's signature.

Please let me know if you have any questions or if this office can be of
further assistance in this matter. Also, please send this office a copy (or
an original if possible) of the fully executed agreement and the ads for our

ADVERTISING AGREEMENT

The undersigned advertiser and The Gainesville Sun hereby mutually agree as follows:

1. The Advertiser will purchase advertising from The Gainesville Sun. The commencement day, term of agreement, type of advertising and the option, space and/or frequency commitment of the Advertiser are indicated below.

2. The Advertiser acknowledges receipt of a current copy of The Gainesville Sun Advertising Rate Book now in effect applicable to the advertising designated below. This agreement is subject to the conditions and rates set forth in the current Advertising Rate Book, and/or any addendum signed by both the Advertiser and Sun designee. Payment is due on or before the 15th of the month following publication. A delinquent charge of 1½%, 18% per annum, will be applied to all accounts not paid by the 25th of the month following billing.

3. Any advertiser who by reason of using larger space than called for in the contract and who qualifies for a lower rate under the schedule in effect may apply for and shall be entitled to the earned rebate. Application for rebate, in writing, must be made within 30 days after expiration of this contract. Rebates will be given in the form of a credit towards future advertising to be used in the following 60 days. It is a condition precedent to an advertiser's right to receive a rebate due against amounts owed to The Gainesville Sun by the advertiser. Any advertiser failing to use the minimum space contracted for herewith for the period specified will pay The Gainesville Sun the difference between the rate granted and the rate that should have applied during the term of this agreement.

4. Publisher reserves the right to adjust rates any time during the life of any contract upon 30 days notice. Upon notice, the advertiser has the option to accept the rate adjustment or terminate the contract without penalty.
